Request for Reasonable Accommodation Form

To provide equal access to the College's programs and in compliance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, Western Education Institute provides reasonable accommodations to students with documented disabilities. It is the responsibility of the student to inform Western Education Institute if the student has a disability and is in need of reasonable accommodation. Disabilities may include but are not limited to mobility, psychological or medical conditions, learning disabilities and Attention Deficit /Hyperactivity Disorder. To allow Western Education Institute to provide appropriate and effective accommodations, students and/or their families must provide current documentation of the disability by an appropriate licensed healthcare provider.

Such documentation must indicate the nature of the disability and how such disability and/or related medications and treatments interfere or limit the student's functioning in any major life activity, including current participation in, and access to, courses, programs, services, or any other activities of the College. The documentation should further indicate the types of reasonable accommodations needed, and how such accommodations will be effective in enabling the student to participate in Western Education Institute programs. Please see the disability services web page for helpful guidelines and forms. Any questions should be directed to Administration, Support@WesternEducationInstitute.edu, Tel: (951) 530-3022, Toll Free: (833) 319-4506, FAX: (951) 335-7109
