Hospitality is a diverse and exciting global industry. Whether your current or future responsibilities involve lodging or restaurant operations, travel services, gaming and entertainment, special events planning, or recreation management, this program will provide a hybrid, fast track program for students to gain the skills they need to enter or advance in the field. This program helps provide preparation for entry level to management positions in hotels, restaurants, institutions, and other hospitality organizations. The program is designed to give the student a broad general education and a strong management and problem-solving orientation balanced with the requisite technical skills, all of them essential for career progression to upper-management positions in the hospitality professions. This program can be completed in 6 months on a full-time schedule and includes 6 classes with 3 electives.
